This course aims to develop and enhance undergraduate students' English reading and writing skills for academic purposes. Students will learn to comprehend and analyze academic texts, produce well-structured written assignments, and practice writing in various academic genres. Technology, including AI tools, will be integrated to facilitate collaboration, streamline the writing process, and provide additional support and insights for effective writing. Collaborative tools and automated feedback mechanisms will complement conventional teaching methods, offering students valuable skills in applying technology for academic reading and writing.

本課程將發展並提升學生學術英語閱讀和寫作技能，並透過科技應用加強學習體驗。培養學生必要的技巧和策略，能夠有效理解和分析學術文本，並撰寫結構清晰、連貫的文章。學生將參與多樣的閱讀活動，學習辨識學術文本中的主要觀點、細節以及學科領域中常用的修辭手法。同時，也將透過科技工具練習撰寫其他學術文體，以培養多元寫作技巧。這包括引入人工智慧工具，協助學生協作與應用於寫作流程，優化寫作品質。
